

TABLET PRESS RESEARCH SYSTEM (TPR) Simple Reliable **FORCE MONITORING**

Tablet Compression Force Monitoring and
Data Acquisition for Research & Development

PAR+
FEATURES

Individual Station Force Monitoring

Individual Station Compression Waveform

Highlights

Robust and Proven Design
User Friendly, Feature Rich
Configurable Modular System
Portable to Multiple Presses

Security

User Access Control
FactoryTalk View User Security or
Windows Security Integration

Hardware Features

Allen Bradley CompactLogix PLC
Touch Panel HMI
High Speed Analog I/O
Strain Gage Mechanisms
